

## Publicity Portrait Sessions

We understand the importance of projecting the proper image in your business or professional environment. We take great care to create an image that is effective in representing you in all of your endeavors.

You may view your images a few minutes after your session, make your selections and place your order before you leave our studio. Single subjects.

Studio Session	\$40.00
Additional person	\$10.00
Location (Central Arkansas)	\$185.00

### Publicity Prints

#### Color or Black and White

•Day Rate \$1100

•1/2 Day \$600

Minimum Session - Studio (less than two hours) \$250.

Minimum Session (less than two hours) – Location \$300

## Company Wide Sessions

Make the best use of your employees' time with an on site portrait session. We will set up our portable studio at your facility and photograph your best assets, your employees, with a minimum of disruption.

Session \$30.00 each

Minimum of six employees, prints/files extra.

## Studio Policies

**Portrait Payment (Terms):** Due to the custom nature of our product, a 50% deposit is required when you place your order; the balance is due upon delivery.

Portraits must be paid in full before leaving the studio. A service charge of 5% per month will be charged on all unpaid balances of thirty (30) days or more after you are notified of completion.

Mastercard, Visa and Discover cards are accepted for your convenience. **Business portraits may be billed to your company.**

**Copyright:** Each portrait is protected by the copyright laws of the United States. The portraits that you purchase are for your enjoyment and for publicity purposes. The copyright is retained by LeMay Photography.
