Collage Style Albums

Collage style albums represent the newest in wedding photo presentation. These library bound leather books display pages designed by LeMay Photography. Multiple photographs are presented on these pages with borders and backgrounds in color, sepia and black and white. This allows for maximum creativity, free from the restrictions found in matted albums where photographs have to be mounted in the openings. These pages are smooth, finished photographs bonded to the album page and trimmed for a classic look. *Your mom has an album, your grandmother has an album, don't you deserve your own album to share with your daughter?*

Engagement Portraits

Announce your engagement with wonderful, fun portraits of the two of you. Small hometown newspapers are anxious to publish your engagement portraits. Our engagements portrait sessions feature both you and your fiancée. A couple of changes of clothes are permitted. We create the classic portrait which is perfect for the newspaper and also the romantic, contemporary poses seen on greeting cards and magazines. The session may be “studio only” or studio and outdoors or both. You may have color or black and white portraits. *Please see the Bridal Portrait section for the cost of photographs.*

Outdoor Session:	\$60.00
Studio and outdoors:	\$95.00

Many of the Wedding Collections contain an Engagement Session.
